A Good Governance & Campaign Finance Reform Agenda*

Spanberger’s commitment to voters:

- Hold regular town halls
- Release a public schedule
- Support No Budget, No Pay Act
- Stop the abuse of taxpayer-funded mail
- Forgo corporate PAC money
- Require transparency on social media ads
- Strengthen disclosure of outside political spending
- Support a Constitutional amendment to overturn Citizens United
- End gerrymandering

“Voters must know that their elected representatives are focused on serving them, not special interests, not themselves, not anyone, but the voters,” said Spanberger. “I believe that it is the responsibility of candidates and Members of Congress to hold themselves to the highest standards of ethical behavior and accountability, and commit to strengthening our system with reforms that will restore trust, and give voters a stronger voice.”
